

UFO

Model : arle/ hb/q3

**TECHNICAL SPECIFICATION :**

- LED WATT : 100W /150W/200W
- Single Color (CCT) : 2750k , 2950k , 4000k, 6000k
- Multi color : RGB
- Lumen / watt : 110 lm - 140 lm
- CRI > 80
- THD<10%
- PF>0.95
- LED Type : SMD
- LED Make: OSRAM
- Beam Angle : 120°
- Input Voltage : 220V AC
- Dimensions :
- IP (Ingress Protection) : IP 65
- Outdoor Casing : Die Cast Alluminium
- Driver : Built In / Remote

PRODUCT DESCRIPTION :

- High efficiency high bay luminaires designed to provide uniform illumination in open spaces. Design and construction of the luminaires is characterized by its high luminous efficiency,extremely long service life.Sturdy construction makes high bay especially suitable for areas where a high level of robustness is required.
- Clear polycarbonate optical cover.
- Die-cast aluminium heatsink, more stable heat dissipation.
- Designed for mounting on ceiling with stainless steel suspension round hoo
- Cable entries for through-wiring of mains supply cable.
- Integral constant current power supply

Available Finis

- Pure polyester powder coat
- Graphite grey
- Anthracite grey
- Jet black

Area of Application

Petrol Bunk,Ware houses,Cold storage,Logistic hubs,Power / Steel / Thermal plants,High Ceiling areas,Parking areas,Auditorium,Sports halls,Shopping mall,Super market,Exhibition center.

Product Benefits

- High luminous efficiency at reduced wattage.
- Versatile use,Simple installation.
- Unique features and strong technical aspect of the products each range of these luminaires are the perfect choice for lighting in various industries with energy saving options.
- Designed to replace traditional high ceiling application.
- Sustainable LED technology offers durability and optimal light output with low power consumption.
